

# Put On My Seat Belt

*By Leeny and Tamara*

Climbing in the back seat  
Safety first, before you turn the key  
Listen for the click  
Make it nice and tight  
When everybody's buckled up  
We'll drive, drive, drive, drive, drive

Put on my seat belt  
Put on my seat belt  
Put on my seat belt  
We're goin' for a ride

Driving through our neighborhood  
Singing songs, strapped in and feeling good  
Waving to our friends  
Passing by the school  
Check it Mr. Traffic Cop  
I'm cool, cool, cool, cool, cool

## CHORUS

Buckle up, buckle up – Every single time  
Buckle up, buckle up – Or the driver will get fined  
Buckle up, buckle up – That's what my seat belt's for  
Buckle up, buckle up – It's safe and it's the law

Making lefts and making rights  
Counting trucks and following the signs  
A red light means stop  
A yellow light means slow  
Everybody knows a green means  
Go, go, go, go, go, go, go

## CHORUS 2x

Put on my seat belt we're goin' for a ride!
